50 YEARS

We the members of the fiftieth graduating class of Coleman High School dedicate this edition of Les Adieux to all the men and women who have gone forth from our alma mater during the last half century.

Graduates of this high school have entered all fields of endeavor. They have become doctors, lawyers, nurses, and teachers. The world has become a better place because of their contributions to society.

As Seniors we sincerely hope that we, too, may make our contribution to the various communities we will live in. We may not all become famous, but we do trust that we will continue the fine tradition of the graduates who have gone before us.

SCHOOL BOARD

ADMINISTRATION

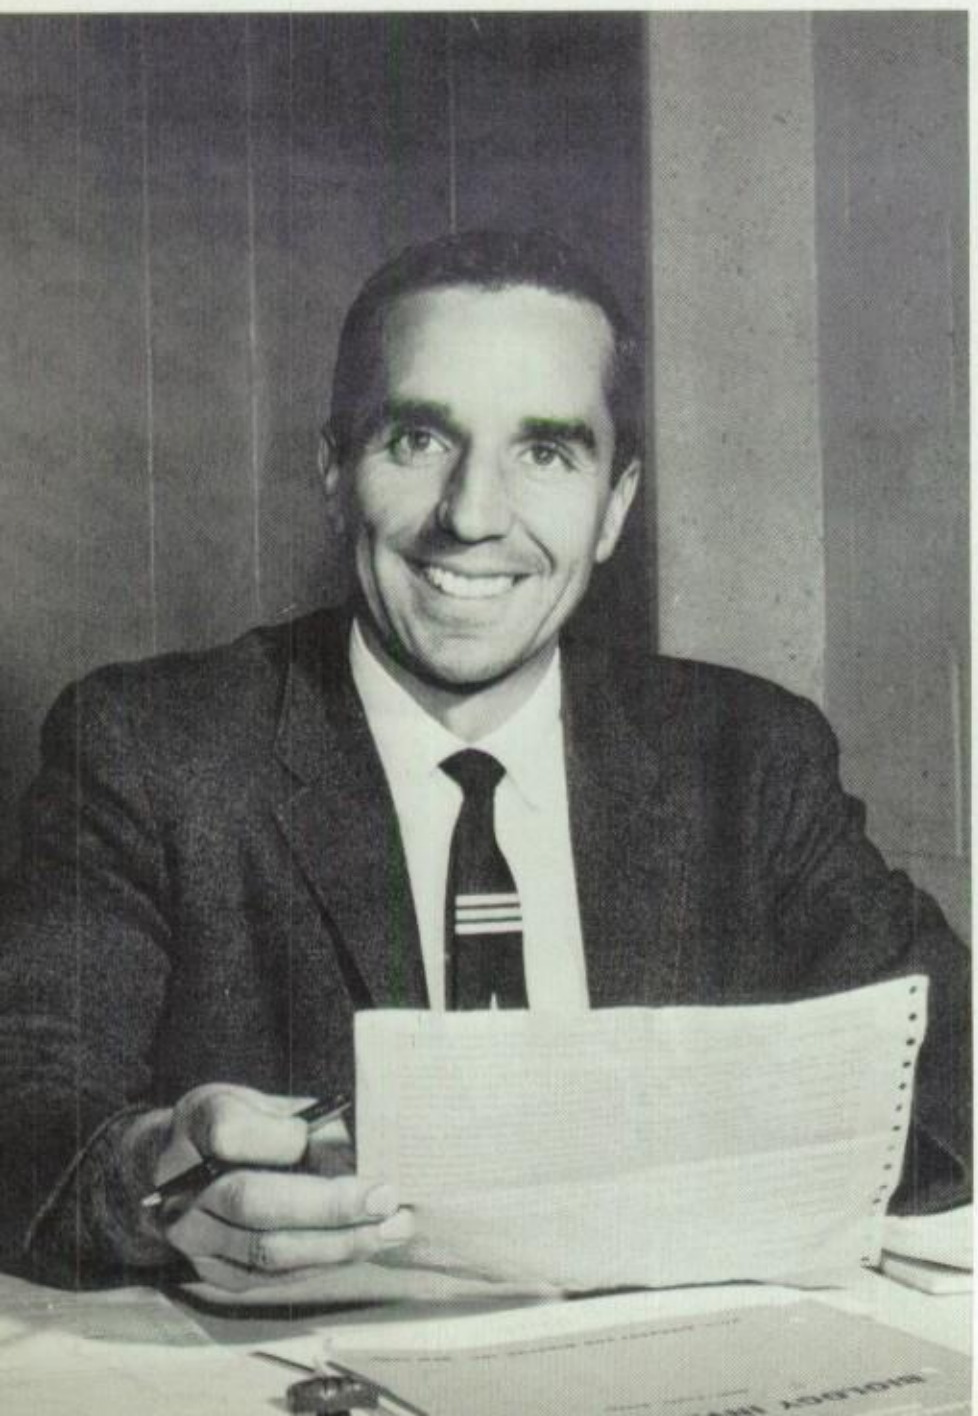
During the past months we have heard and read more about the general decline of moral atmosphere in our country than ever before. It is unfortunate that it takes a national tragedy to shake us into awareness of our faults and shortcomings, both as a country and a people.

In your four years of high school, you have been reminded quite frequently of your mistakes by your teachers and parents; but now you have graduated from such careful scrutiny and are to be considered young adults. Whether you continue your formal education in a college or go out into the working world, you will find that most behavior, study, and work attitudes will be left to you. People will assume that at your age, you will know right from wrong and will act accordingly. The word integrity covers it very well, and it is something that must come from within yourselves.

Your commencement is a good time to re-examine your basic honesty and values. Are your objectives those of seeing whether you can just "get by" or do you need the sense of satisfaction in work well done? There will be many temptations to do less than your best, and you will find it very easy to make excuses. As your basic skills have been tested countless times in school, so will your integrity be continually tested as you go out on your own.

It is my hope that you will be a success in life regardless of your station or your line of endeavor.

James Kavanaugh, Superintendent



It is the sincere hope of every member in this school district that the facilities of the high school will aid in the educational opportunities for every youth of the Coleman School District. It is well to remember that facilities do not in themselves guarantee learning. Each learns in proportion to his efforts and abilities. It is always hoped by parent and teacher that every student will put forth that extra effort to prepare himself for a fruitful life in a period when good training will be most essential. The facilities are here for your use. The desire for learning and self improvement will depend on you, the students. May your educational attainments be of the best.

FOOTBALL

The 1963 football season was not a success if one evaluated it from a won and loss point of view. It was a success, however, in regards to the improvement, spirit, and hard work that was put forth by those that participated in this fine sport. The game of football is definitely a team sport and must be played accordingly. This is one of the greatest benefits which a boy can obtain from a team sport such as football-the ability to work with and be a part of such a unit. Those boys who represented the Coleman High School on the football team during the past season finally did realize the importance of team work and also realized that winning is not the only purpose of an athletic program.

The 1963 Coleman Cougars were one of the best defensive teams in the M-O Conference. This stands to reason because these individuals were named to the ALL-Conference defensive team: Jerry Pillath, Jerry Anderson, and Bobby Rysewyk. Dennis Krejcarek was listed as honorable mention. Along with these honors awarded our Cougars, we had the League's most valuable player's award given to Bobby Rysewyk-a fine tribute to a fine football player. Bobby was also the most valuable lineman of the year as was Jerry Pillath the most valuable back. These two boys were the unanimous choice of the team.

BASKETBALL

Coleman's basketball team finished with an 11 and 9 record for the season. The team played an interesting offensive brand of basketball, but could never stay consistent enough to become a big winner. Highlight of the season was the upset win over a big Gillett team at our own regional.

The Cougars were led by two-time all-conference forward and this year's captain, Ernie Beaber. Ernie just about rewrote the offensive book when he set the all-time scoring record with 920 points, set the one season scoring mark with a total of 450 points, and the best single season average of 21.4 points per game.

Two school marks fell when the Cougars established a new season scoring mark of 1309 points and the season's free throw per cent mark of 66.8.

Ernie Beaber was selected by his teammates as most valuable player on this year's team. Sophomore Rodney Boville was selected by the coaches to receive the most improved player award and Jack Ott established a new season's free throw mark of 69.8 per cent and won the free throw award.

The Coleman Junior Varsity had its greatest season in the school's history this year. The overall record was 15-2, and included in this record were an 11-1 conference record and a 13 game winning streak. High point of the season was a 49-44 win over Crivitz at the opponents home floor. Jon and Jim Salewski were the honorary co-captains. Jon Salewski had 220 points during the season.

Mr. Herbert and Mr. Anderson were the basketball coaches.

WRESTLING

Coleman's six boy contingent, three of whom were sophomores, won the Wisconsin State Wrestling Championship on the strength of three individual titles and a consolation title for a total of 48 points. Reedsburg was second with 39 points. Lost to the squad will be two of the title winners, Jerry Champagne and Bobby Rysewyk, and Harv Kostreva, 154 pound star.

Jerry Champagne led the Cougars with 16 points and the 95 pound title. Bobby Rysewyk won the 138 pound class and Jerry Pillath took the heavyweight title. After an opening round loss to the eventual champion, Darrell Champagne won three straight bouts and third place in the 103 pound division. Though they narrowly failed to score, Dan Kostreva and Blinky Sincere, both sophomores, turned in creditable performances.

This was Coleman's third straight title and fourth in five years. This was perhaps the greatest win, not only because of the competition but also because it was the first time we won three weight classes. The Cougars also won the Sectional and Regional titles enroute to Madison and the State Championship.

TRACK

The Coleman track team appeared to be often a bridesmaid, never a bride. We were second in the relay, second in the conference, and second in the section.

In dual competition, we defeated Gillett, Crivitz, and Lena. We lost to Peshtigo and Oconto Falls, the two dual losses by a total of three points.

Record breaking performances were made by the way of senior Dave Weier, who put the shot-put 50' 1", in the discus Jerry Pillath broke his brother's record with a 155' 7 3/4" throw, and by junior Harold Peterson who set a mile record of 4.51.5.

Those that qualified as state representatives at the class B meet at Monona Grove were the following boys: Dave Weier in the shot put placed sixth, Jerry Pillath in the discus placed second, Ernie Bieber in the quarter mile finished second in his section and seventh in the final results.

Season captains were Dave Weier and Lester Kostreva and the most valuable trackster as selected by his teammates was veteran weight man, Dave Weier.
